

Murphy Warehouse a MNSHARP worksite, recognized 6/15/04.

Workplace safety and health representatives from the Minnesota Department of Labor and Industry (DLI) recognized Murphy Warehouse Company for its achievement as a Minnesota Safety and Health Achievement Recognition Program (MNSHARP) worksite at 11 a.m., June 15, in Minneapolis. The company is located at 701 24th Ave. S.E.

MNSHARP is a Minnesota Occupational Safety and Health Administration (MNOSHA) program that recognizes companies where managers and employees work together to develop safety and health programs that go beyond basic compliance with all applicable OSHA standards and result in immediate and long-term prevention of job-related injuries and illnesses. "We are pleased at the commitment Murphy Warehouse Company has shown to voluntarily take their safety and health culture to a higher level," said Scott Brener, Department of Labor and Industry Commissioner. "We are excited to recognize their worksite as one that leads with safety to improve their overall company performance."

"MNSHARP certification solidifies the valiant efforts Murphy's has made during the past 15 years to build a solid safety culture," said Richard Murphy, Jr., president and C.E.O., Murphy Warehouse Company. "It recognizes the efforts our people have made in equipment modification, training and developing a sensitivity towards safety and ergonomics best practices."

Murphy Warehouse Company is a third-party logistics provider of warehousing, distribution, transload and transportation services. Murphy supports local and regional manufacturers in their national distribution and nonregional manufacturers and distributors of their domestic and international shipments into the upper Midwest region. Commissioner Brener and other DLI representatives will commemorate the Company's employee-employer partnership by presenting a MNSHARP flag and a certificate that exempts the company from OSHA Compliance scheduled inspections for one year.

MNSHARP began in Minnesota in 1996. Murphy Warehouse Company in Minneapolis is one of 12 MNSHARP worksites in Minnesota. For more information about MNSHARP, please visit www.doli.state.mn.us/mnsharp.html Use the back arrow to return to the What's New page.
